

Call for Paper

Dear Researcher/ Author,

Applied Sciences and Business Economics (ASBE) is an online and printed multidisciplinary international journal. **ASBE** provides rapid publication, covering a wide range of disciplines such as: Agriculture, Applied Sciences, Architecture, Physics, Chemistry, Biology, Material Sciences, Computer Sciences, Communication, Education, Geology, Social Sciences, Medicine, Health Sciences, Mathematics, Engineering and Technology, Business and Economics. However, this list is just indicative. It welcomes thought provoking paper (s) within the purview of other relevant fields of Social and Applied Sciences. Editorial Board welcomes the submission of manuscript (s) that meets the general criteria of significance and scientific excellence. Submitted article (s) should not have been previously published or be currently under consideration for publication elsewhere and should report original unpublished research results. In order to maintain highest level of transparency and highest standard of review, the journal follows the double-blind system of peer review. Double-blind Peer review is necessary to give doubtless scholarly benefits and impacts of author (s) in the long run. The author (s) should note that there is no submission and processing fee, however, a nominal publication fee of \$30 will be charged to cover manuscript handling and website maintenance. Submit your manuscript (s) to bzujournal@gmail.com.

ASBE aim is to inform author (s) about the manuscript (s) decision within four weeks of submission. Following acceptance, a paper will normally be published in the next issue.

Frequency: 4 issues per year

Subject Category: Multidisciplinary

Published by: Applied Sciences and Business Academy

- ***Note: ASBE is calling for papers for Vol 3, issue 3,4 and will be launched in time.***

Best regards,

Dr. Shafqat Saeed

Chief Editor,

Applied Sciences and Business Economics
